What We Do »

We specialize in the **designing and manufacturing of event setups, exhibition stands, interior fit-outs, kiosks, branding solutions, and all types of display systems** for the BTL advertising industry. Our focus is on delivering **innovative, high-quality concepts** that consistently exceed our clients' expectations.

We operate from a **state-of-the-art 18,000 sq. ft. office and warehouse in Dubai** and a **20,000 sq. ft. office and warehouse in Sharjah**, fully equipped to handle fabrication and storage requirements—from **small freestanding POS displays to large-scale event and exhibition setups**.

With a **complete in-house manufacturing facility**, we have a strong advantage in producing **premium-quality products at cost-effective prices**, ensuring efficiency, consistency, and timely delivery.

As part of our global expansion, we have established branches in **London, United Kingdom, and Mumbai, India**, enabling us to offer the same high standards of service internationally.

Our Story »

Founded in 2008, **Woodland Groups** began its journey in Dubai with humble beginnings—much like many other companies in the region. However, driven by **determination, perseverance, and professional competence**, the company steadily grew and expanded its footprint.

In 2018, Woodland Groups took a significant step forward by opening a branch in **Sharjah**, reinforcing its commitment to growth and operational excellence. Guided by a **goal-oriented and focus-driven philosophy**, the company continued its global expansion with the establishment of branches in **London, United Kingdom, and Mumbai, India**.

Today, Woodland Groups operates across the **UAE, United Kingdom, and India**, delivering comprehensive solutions in **Event Set-Ups, Exhibition Stands, Interior Fit-Outs, and Digital Printing**. We consistently work on a **cost-quality-time matrix**, ensuring optimal results across every project.

With a perfectly balanced blend of **experience, innovation, commitment, and personalized service**, Woodland Groups has evolved into one of the leading production **contractors in the region**, recognized for delivering professional, impactful, and exceptional results.

Your **“One-stop-shop”** solution for Events set-up, Exhibitions Stands, Interior Fit-out, Kiosks, Branding, Metal works, Paint booth, Acrylic fabrication and Events & Exhibitions furniture rental.
